

# What Will I Need Each Day?

All the textbooks and exercise books you need will be given to you over the first couple of weeks. When you have got them all do not try to bring more than the one day's books with you as you will find that carrying everything is impossible! When you get your timetable, you will know what to bring - don't forget extra items like completed homework, Design & Technology equipment and PE kit.

If you have any issues purchasing equipment, your parents / guardians should contact Mr Guest.

Below is a list of required and helpful equipment:

<b>Required For Your Learning</b>	<b>Helpful For Your Learning</b>
